LIFE AT LAZERTE

2018-2019

grade 10 day

Grade ten day is always an exciting time for our newest members of the LaZerte family. It's a day to introduce them into the wonders of what the next three years of high school has in store for them! Many of our wonderful students and staff member volunteer their time to prepare weeks in advance, making this such a special occasion. This is a start of a new chapter, hopefully you made the most out of it!

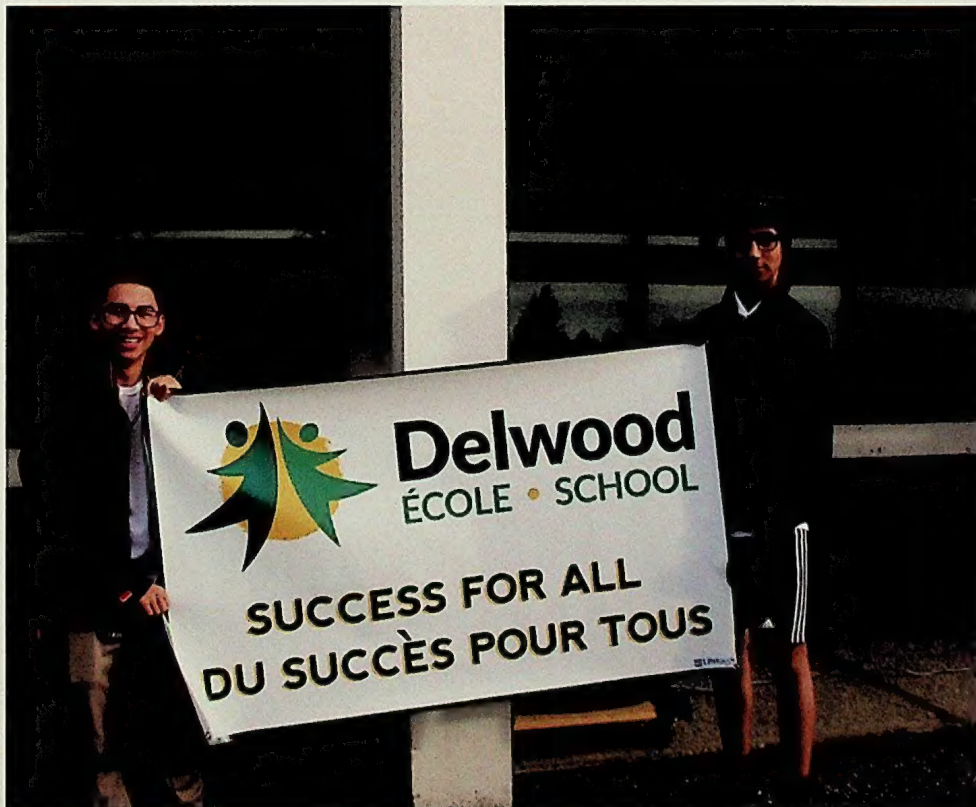

september

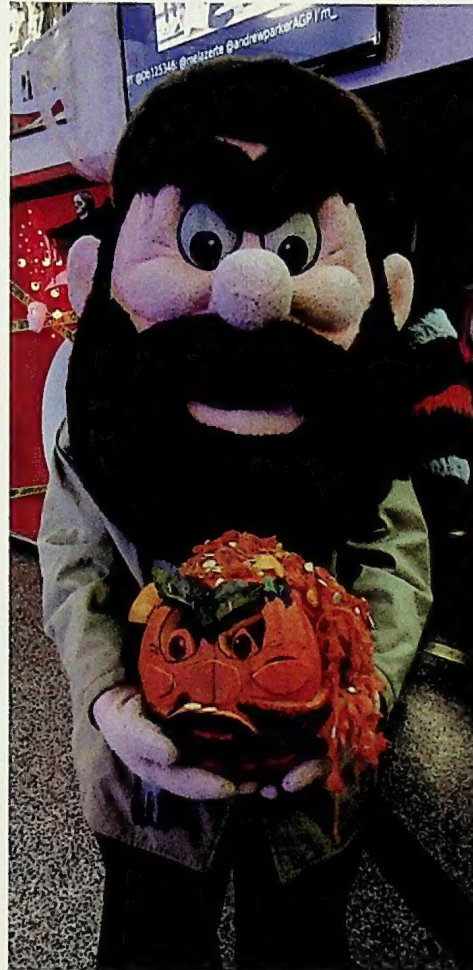

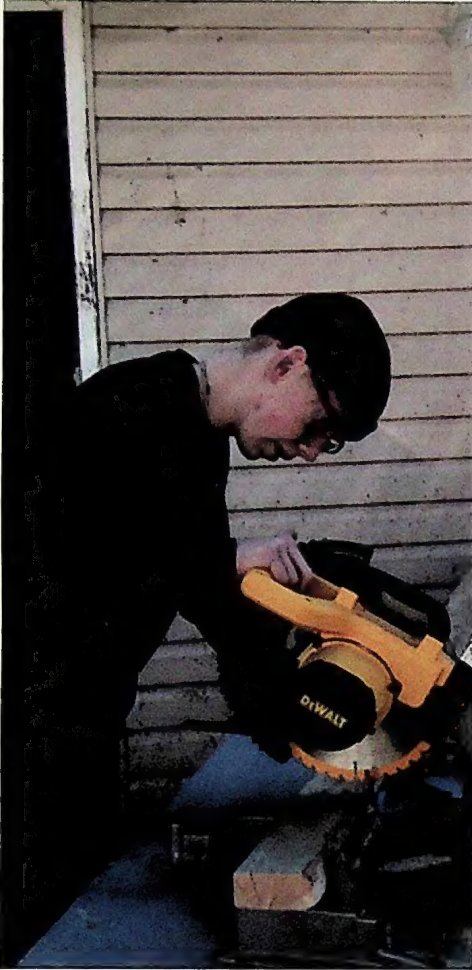

Welcome back everyone! It's the start of another school year, and for some this is the last one. September brings in buzzing students that are eager to learn. We have many activities going on all around school. Our various MEntors helping out anyone who looks like they may need an extra hand, their helpfulness is always appreciated. The football team is back for another exciting season. Soccer Phys. Ed at Delwood school for their Terry Fox run. As well as the volleyball teams who are on a roll during their season.

October

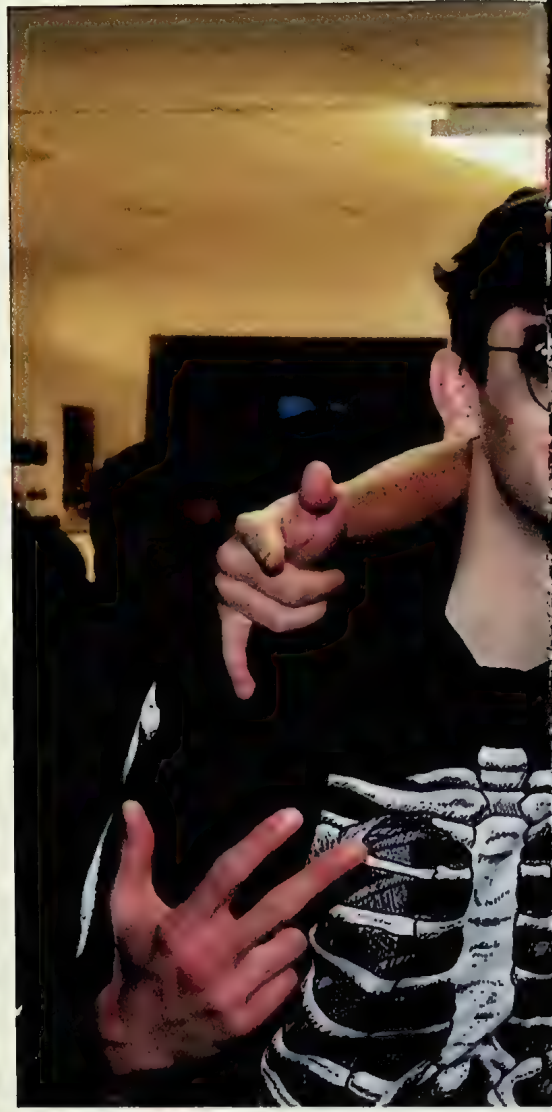

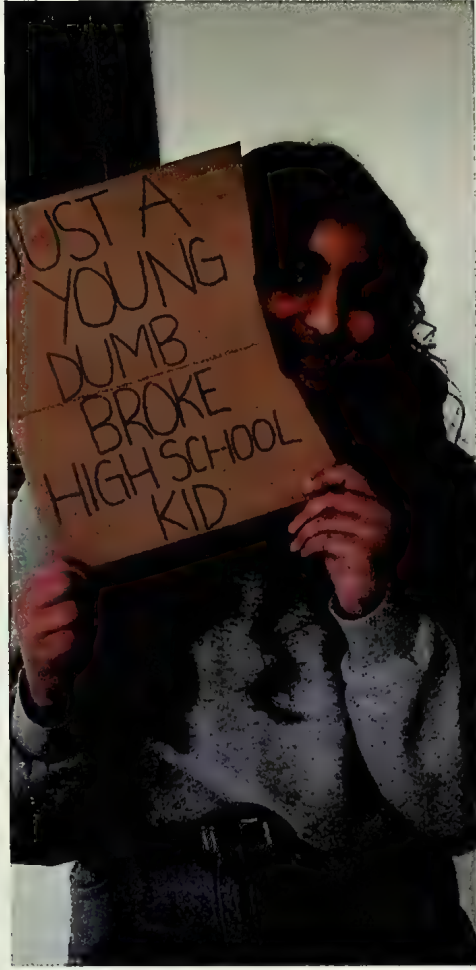

October is filled with spooks and scares as well as laughs, so much was going on around school this month. CTS camping trips, awards night allowed our students who go above and beyond to have a night recognizing their efforts. Volleyball games, P.D. days and much more! It's amazing to see all the Voyageur pride at these games with all the fans showing up to support our student athletes.

halloween

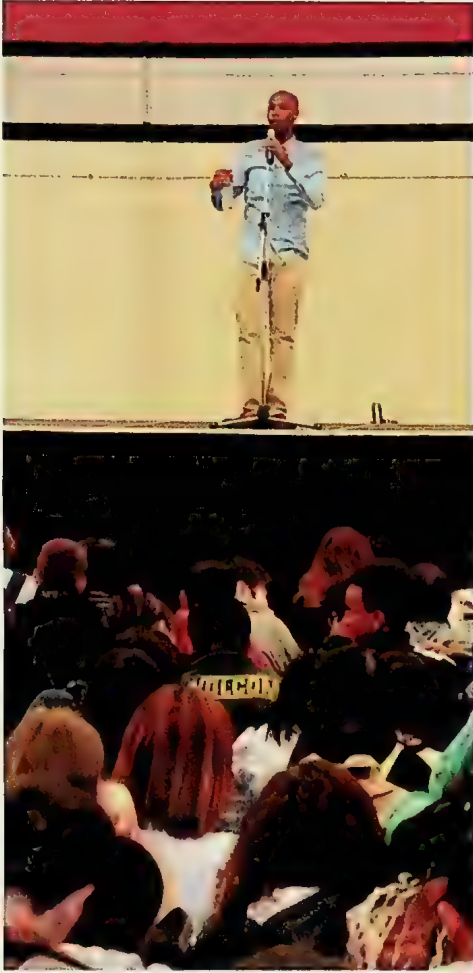

"It's Halloween, everyone's entitled to one good scare." We hope everyone got just that. The Voyageur pride was amazing this Halloween, you can tell that much thought and preparation went into these years costumes! All around LaZerte the halls were filled with fun group costumes, lots of laughs, and tons of candy being consumed. Thank you to all who participated! Let's make next year even spookier.

november

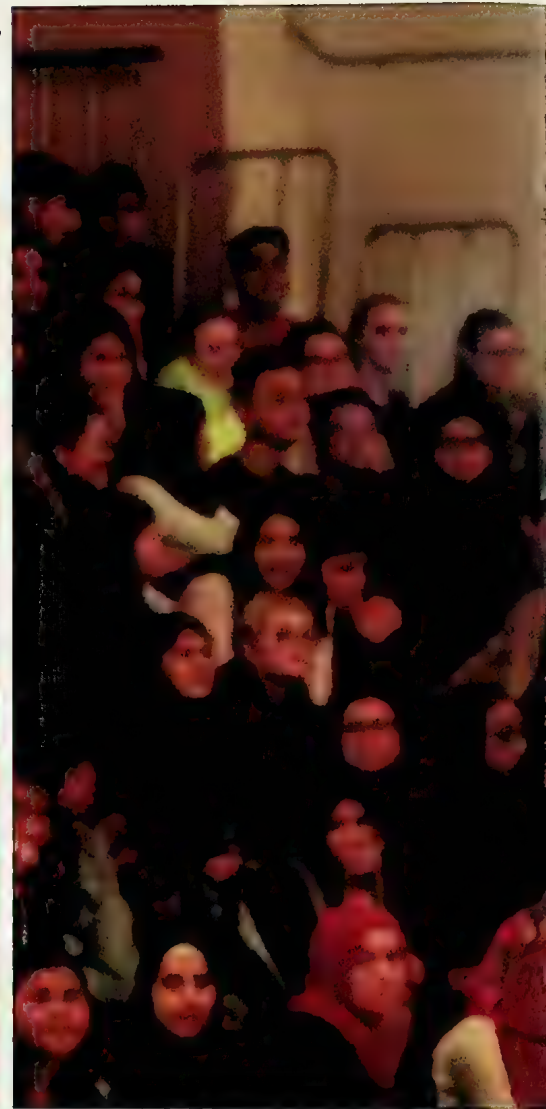

November was a great month with career day being the biggest hit.

Career day was fantastic this year, as we had so many options for students to choose from. November also brought the reopening of Milton's after many months of renovations- what a beautiful cafeteria we have! Hopefully you had a fantastic and well deserved fall break. Surely you'll be able to make it to winter break!

december

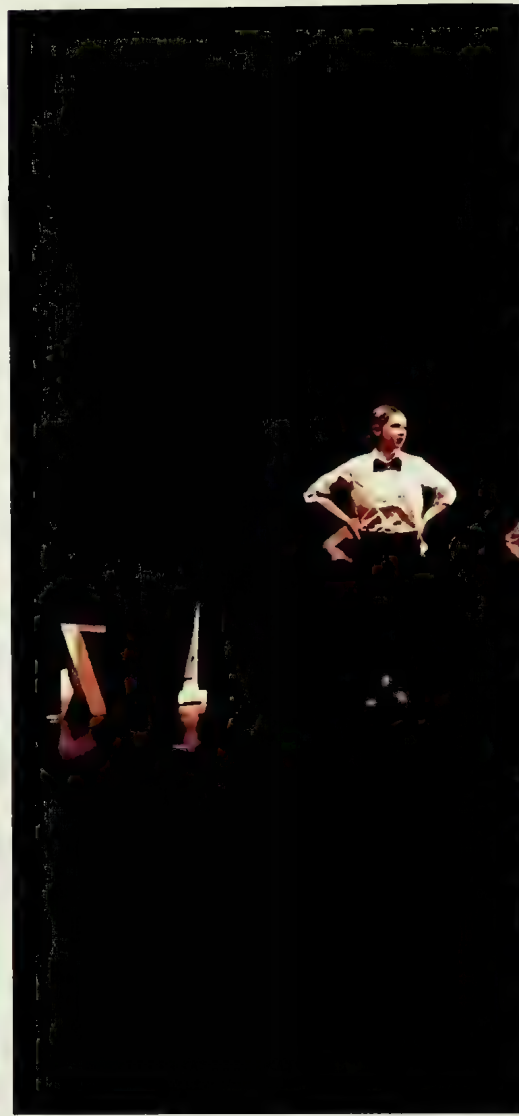

December is the perfect time of year for you to appreciate the wonderful individuals you surround yourself with. 2018 is slowly ending with winter break feeling so close, yet so far away. Around school there are many events and activities everywhere you turn, filling up the hallways with holiday cheer. Thank you to all the volunteers who have strived to make the world a better place for all. We are tremendously grateful to have such an amazing band class that worked so hard over the semester to perform many amazing songs, great work Voyagers!

january

January is here and so is 2019! A new year to make yourself the best person you can possibly be and continue on working hard within your school year. Here is to hoping that winter break gave you the well-deserved time to rest and relax. Within this month, our hardworking students put on an amazing performance of Copacabana and it was splendid, a big thank you to all the performers who spend tons of time practicing for their huge performance.

february

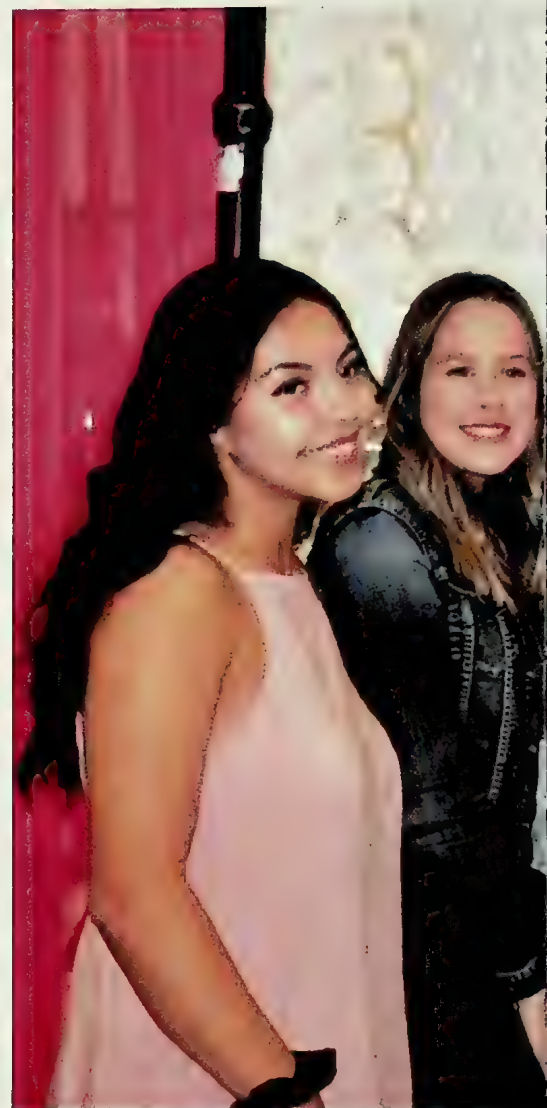

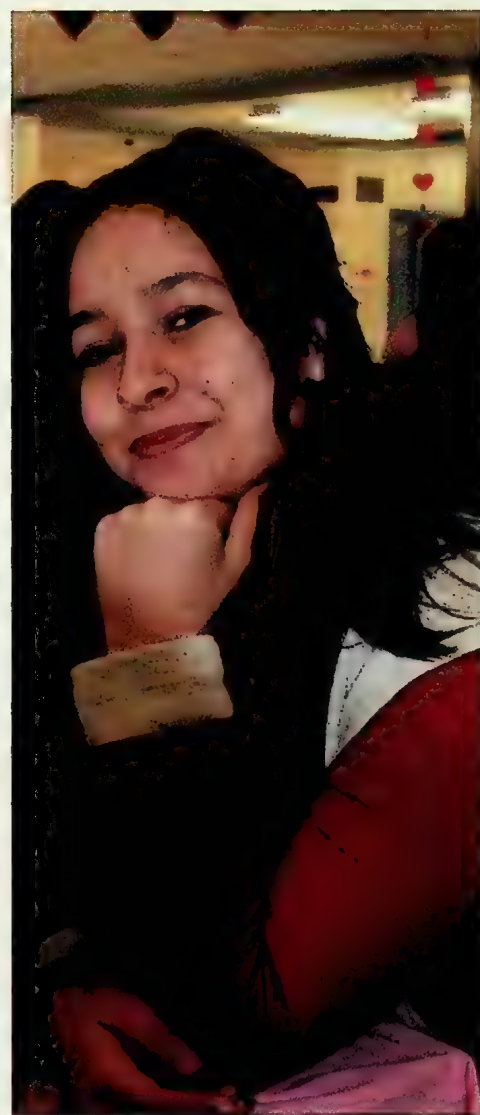

February is a love filled month, it's the right time to express to the people you care about how much they mean to you. This month consists of community and the bond we have with one another. With the celebration of Chinese New Year, the year of the dragon. It is a wonderful point in the school year when we take a stand to bullying with pink shirt day! Other events going on around school include everyone's favourite; touch of class, an excuse to finally dress up nicely for school.

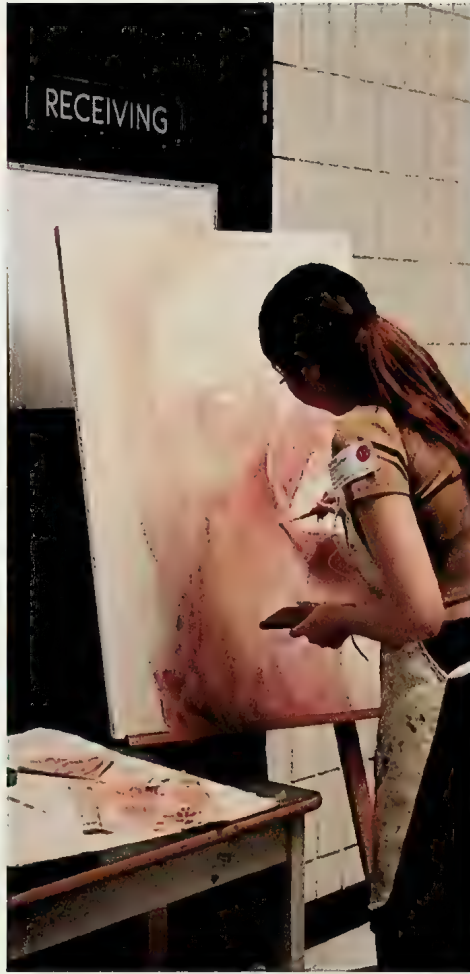

touch of class

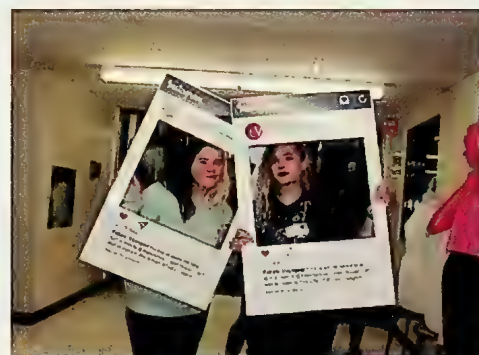

march

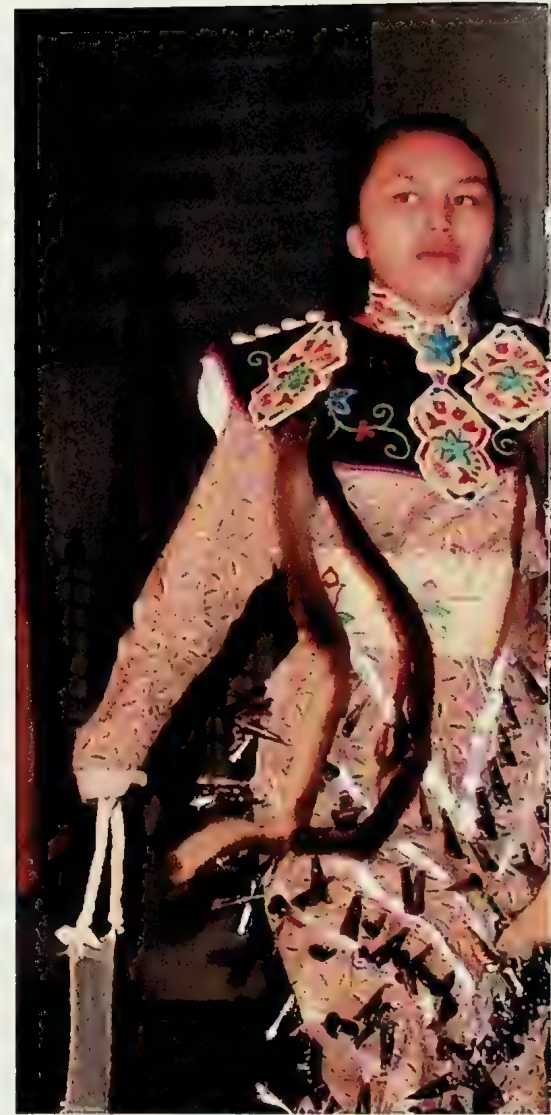

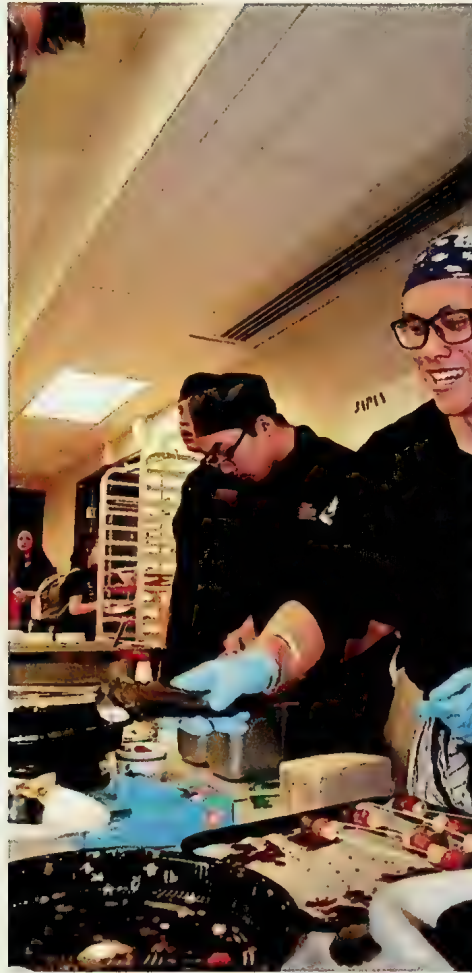

March is in the air and so is open house season, this year's open house was fabulous with the Class of 2022 visiting the school and seeing everything it has to offer. LaZerte's Voyageurs were quite busy this month with all the activities going on around school: Healthy ME week, the soccer team going to city finals, as well as our culinary students battling it out against other schools. Our annual Spin 4 a Wish was a huge success allowing us to give two fantastic children the wishes they deserve! With lots of learning going on within the classrooms we are coming close to the halfway point in the semester. Hopefully you are studying hard!

april

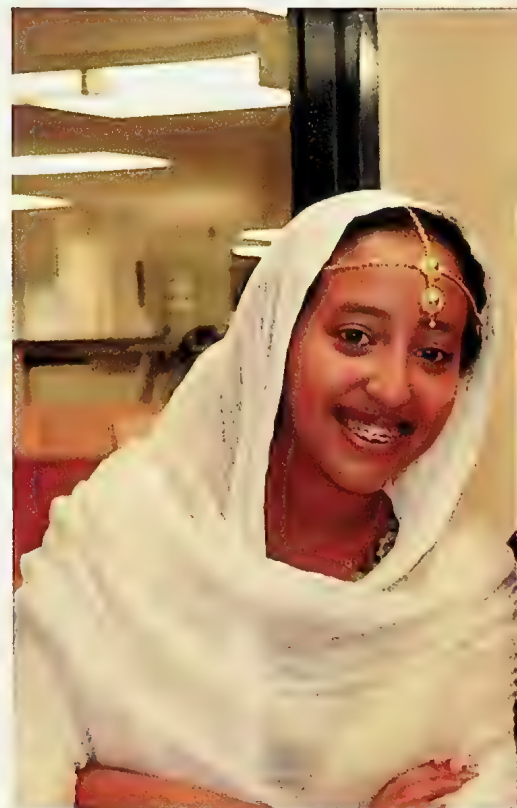

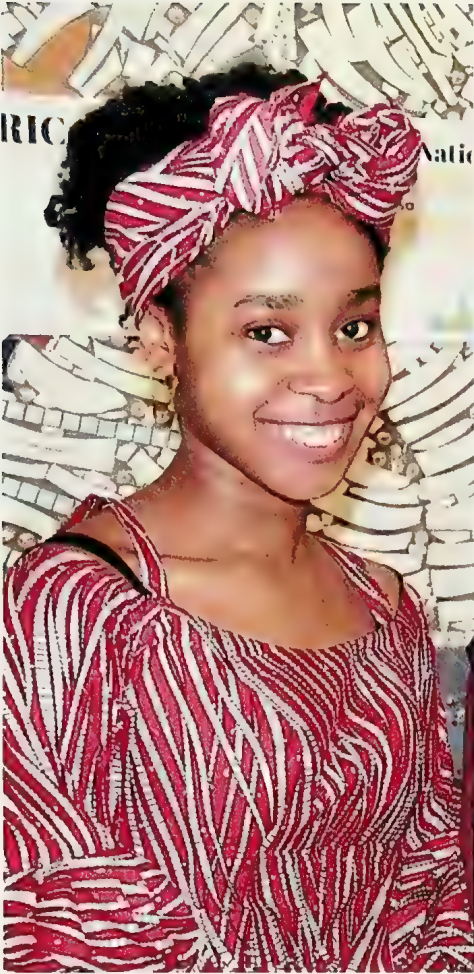

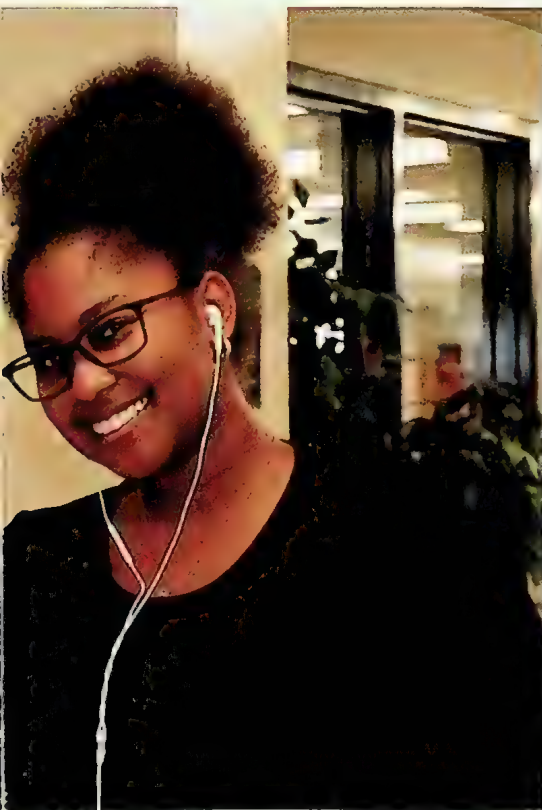

April! Here it is, and with it brings the one day of the year that many of us are sitting on the edge of our chairs for. Somehow, the air always seems different on the day. Taste of LaZerte is just one of the many times the school celebrates our amazing diversity and cultures. Do you care for the great food served by our many different countries? Alternatively, perhaps you have been waiting for the fantastic performances that each of our dance groups put on. No matter what your preference is, Taste of LaZerte has something to offer for everyone.

This season marked some significant changes for the football program at LaZerte. Our season began with a team road trip to Cold Lake where we toured CFB Cold Lake and played an exhibition game against their local high school team. From there we experienced a great deal of measurable success in our first year playing up in

Tier 2 against stiffer competition finishing the regular season 3-3-1 (4-3-1 overall) and just missing a competitive playoff in a 4 team tie for third place within our division. Much of our success this season came on the backs of returning grade 12 standouts RB Matt Olivo and DB/WR Jake Chomchuk. Two players who were new to football LB Scott

Bilida and LB James Galloway were instrumental to our defensive success while returning QB Lunden Larratt and DB Amar Darwesh proved to be effective leaders and finished their high school careers on a high note. We will look to build off of this success in future seasons. Thanks to all VG's for their support of our football program!

badminton

What a great year for the LaZerte Badminton team. They came so close to defending their Tier 1 Metro Championship title this year. They lost a tough semi final to Harry Ainlay which came down to a men's singles match that was 24-22 in a third game. So close!!!! They did rebound however and win the Team Bronze medal. This tough loss in Metro made the team even stronger. They went on to qualify 10 athletes for provincials, which was a new record high. 1 more than last years 9 athletes. At provincials they claimed the 4A Provincial team banner which made them the TOP 4A school in the province. This was an entire team effort as we won 1 gold, 1 silver, 2 bronze along with 2 top 8 finishes. It has been a an incredible last 2 seasons. Last year winning the Metro Tier 1 Team Banner for the first time and this year winning the schools first 4A Team Badminton Provincial banner. What an incredible accomplishment. Great job team.

Soccer Alumni Game. In January we celebrated the beautiful game with former students across various generations. It was our first time coming together, alumni players included professionals, college and university players. It was a great motivator as our teams enjoyed great success the rest of the way.

2018 Cross Country Running Team

What an outstanding year for Cross Country! Team members had to be tough this season as Mother Nature threw us some difficult running conditions.

But we persevered and participated in the meets with dedication and enthusiasm. Two members qualified for the Provincial Finals and competed in Vermilion, Alberta. Congratulations to all of our team members! You were an outstanding

group of athletes and demonstrated true Voyageur Spirit! Your coaches are so proud.

i.b. trip

After three long years of constant academic challenges, the long awaited IB trip has arrived for these students. Our full IB class was able to take a few days to relax in Banff! Surrounded by the gorgeous views they were able to enjoy one last trip together before they say their good-byes at commencement. Every twist and turn in their adventure brought a new opportunity to their footsteps. Congratulations to them, you all did amazing and made LaZerte very proud!

You know that they say: "When in Rome!" Every year our students are presented with the amazing opportunity of traveling abroad. This year Lazerte's students were able to see the beauty that Italy has to offer during spring break. Every twist and turn was filled with breathtaking views and new opportunities to learn about Italy's very diverse culture and history. This was truly a trip they will remember for the rest of their lives!

yearbook team

the last three years have been an emotional rollercoaster, but through it all I was able to learn a lot about who I am as a person. I found myself while creating this yearbook for you to enjoy. I am a firm believer that yearbooks help spark a memory, maybe not tomorrow, but perhaps in 10-20 years you will pick up this book and remember the simpler times that required less responsibility. I would like to thank everyone who got me to this place in my life and pushed me to my fullest potential when I myself could not see the bigger picture. To my teachers who went the extra mile for me, words cannot describe the gratitude that I have for you. To the Class of 2019, my hope for all of you is that life treats you with kindness while you embark on the next chapter of your lives. In the last yearbook, I spoke about how high school passes by quickly and I mean that, one day you wake up and it is already time for you to get ready to walk the stage. Enjoy it while it lasts. Everything happens for a reason go with the flow.

Finally, I would like to say thank you to Mr. Candido for all that he has helped me with since my first day starting at LaZerte, without him I would not have been able to create this yearbook.
